

June 21, 1950.

Dr. P. H. Edwards,
Bacteriologist-in-charge,
Communicable Disease Center,
Enteric Bacteriology Unit,
Chamblee, Ga.

Dear Dr. Edwards:

Thank you for your very prompt and satisfactory shipment of cultures in response to my letter of the 13th.

We will inform you of any significant findings, should they develop.

Sincerely,

Joshua Lederberg,
Associate Professor of Genetics.
